

CALL FORWARDING

Call Forwarding allows you to redirect all incoming calls to another telephone number.

To Forward Calls:

1. Press *72 (72 for rotary or dial pulse telephones).
2. Listen for beeps followed by dial tone.
3. Dial the forward-to number. (If the forward-to party answers the call, Call Forwarding will and automatically be activated. If the forward-to party does not answer, repeat steps 1-3, listen for beeps then hang up.)

To Cancel Call Forwarding:

1. Press *73 (73 for rotary or dial pulse telephones).
2. Listen for beeps.
3. Hang up.

Notes:

1. A single ring on incoming calls will remind you that Call Forwarding is activated.
2. If your preselected forward-to number is outside your local calling area, you will be charged for any calls forwarded from your local number to the long distance, Extended Local Calling, Or extended Calling Service number.
